"Coordinator's Message"

To all of my coaster friends:

Here it is the Ides of March and I'm working on the November-December issue of "Beer Coasters Monthly". I'm behind again! But I have some great news that is likely to fix this situation once and for all...:

As a result of my request for some help in running this newsletter, member John Cooney of Lancaster, PA has taken up the reigns of this organization as our new coordinator. John brings with him the experience gained in the start up and organization of his own coaster collectors club known as "Little Dutch Coaster Club." I have known John since the early 1980's and can assure you that he will do a great job of running this newsletter.

I had a lengthy phone conversation with John the other week and we discussed the transition of the newsletter and the dues, etc. As it turns out, most of you N.A.B.C.C. members have memberships that expire with the Nov-Dec '86 issue. This was done intentionally to avoid me collecting dues for issues that I knew I was not going to write. The 20 - 30 members out there who have paid up for more issues (ie: extending past the Nov-Dec '86 issue) will receive a refund check from me with this newsletter.

John and I discussed his plans to take over the newsletter and the way that he will merge the N.A.B.C.C. into his Little Dutch Coaster Club. I firmly believe that the newsletter will remain very much the same... the same amount of photos, information about micro breweries, new finds, classified ads from the membership, etc. In fact, I fully expect that the same people that have been faithful members in my club will still be active in this new organization. I will be a member -- and I will be submitting articles, new finds and ads just like usual. I sincerely hope that when you hear from John Cooney, you will give him your support. Thank you and...

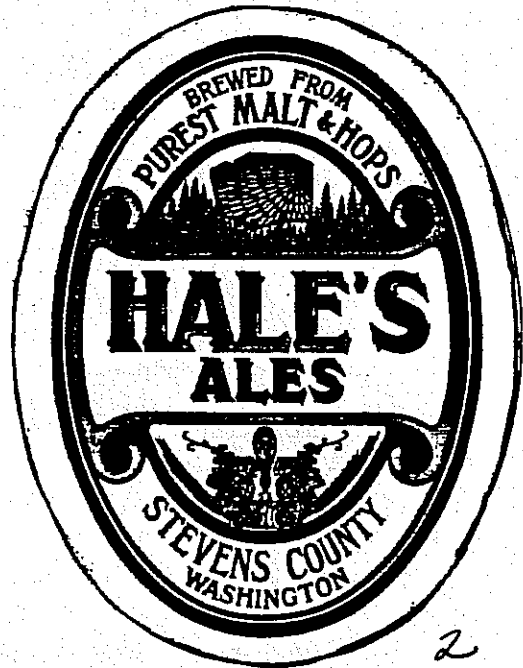

Good Collecting!!

Tom Byrne
